**Parents Evening  
6-9pm**

### 17th November

**Children in Need  
Non-uniform day**

## 11+ News

Last Saturday Form VI sat the 11+ examination and we celebrate and share their relief. Well done to everyone involved in preparing the pupils for this task and obviously, to our pupils for their hard work and diligence.

After school clubs so far have proven to be a success and children are enjoying the variation.

**The School Council Meeting is an opportunity for nominated representatives from each form to have a voice and discuss various topics for the evolving development of the school. The first meeting is in October.**

## Gentle reminder:

If you require your child to be absent from school, please could you give a minimum of two week's notice as approval must be authorised. It is preferable for your child to take time off outside of term time, this in order to minimise any disruption to your child's education.

Please could all children be in school for 8.50am. This gives the form teacher time to settle the children before the register is taken.

Thank you to all the parents who took the time to give feedback on the report slips from the summer term.

Please be advised that the school will not be accepting the old £1 coins from Monday as they will be going out of circulation

## Macmillan Coffee Morning

We were delighted to see so many parents at the coffee morning today. Thank you to all those who attended and donated to this very worthwhile cause. Thank you also to everyone who entered the best decorated cake competition. Mr Jay and Melissa found it extremely difficult to choose winners from each category as they were all amazing!

The winners are:

Nursery I, Nursery II, Reception: Reef - Reception

FI, FII, FIII: Kaven - F1

FIV, FV, FVI: Florence - FV

Well done to those children who take home a prize.

The winner of the competition to guess the height of this fabulous cake made by Mr Jay is Mrs Andrews, guessing the exact height of 37cm.

The winner of guess the height of the Macmillan cake tower is Dr Namazy, guessing 94cm, which was the closest to the actual height of 98cm.

A huge thank you to Mr Jay and all the staff who gave up their time making and baking to provide the refreshments for today.

The total raised so far is an amazing **£1059.65!**
