them to have
breakfast, be-
fore the staff
have to begin
clearing away.

Samaritans Purse:

More details to follow.

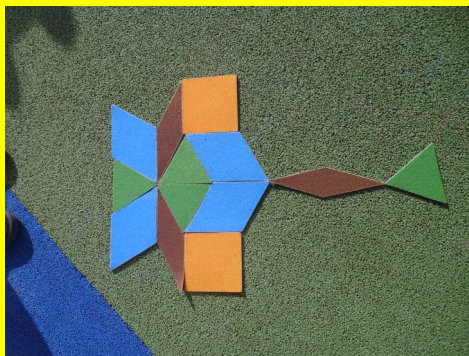

A reminder that the school will not be
accepting any more old £1 coins as they
will be going out of circulation from
16th October.

Gentle reminder: PARKING

Parents are **not** permitted to use the driveway area at the front of the school at any time of the day. This is in the interest of health and safety for children and visitors to the school. Also please make sure when you come in/leave school, you use the path opposite the entrance gate and not walk across the drive through the parked cars, as staff/visitors use the other entrance to enter by car. Please park considerately in the local area as it has been reported that a parents' car has parked in front of a drive, blocking access to the owner, this inconsiderate parking is of course unacceptable.

This week some of our children have been celebrating Diwali, with the Reception children making their own beautiful lamps and Rangoli patterns.

As one of the most popular festivals of Hinduism, it spiritually signifies the victory of light over darkness, good over evil, knowledge over ignorance, and hope over despair.

We would like to thank Mrs Patel who will be joining the children in Reception to talk about Diwali.

Polite reminder:

We still have some outstanding cake containers from the Macmillan coffee morning. Please could you return them to school as soon as possible.
