The garden party games afternoon was a huge success. Well done to the children in FVI for organising the event, making the games and supplying the prizes. Everyone had a really enjoyable afternoon and we raised an amazing £300. This money will be put towards an activity or event for the school. Previous money raised has allowed us to book and pay for a Theatre group who will be visiting Oxford House on Monday 9th July.

One of our former pupils Scarlett, returned to school to teach Latin to FIV. The children were very excited and found it very interesting.

The Summer Reading Challenge 2018 starts on 14th July and this year the theme is Mischief Makers.

A presentation was held in assembly today and children have been given information regarding this.

End of school year reports have been sent out today with your child. Please use the acknowledgement slip enclosed to confirm receipt and make any comments to the form teacher.
Gentle reminders:
Please could all children attending breakfast club arrive by 8.10am. This gives the staff enough time to prepare them breakfast and the children time to eat it.
The school provides a ‘late wait’ area for children until 3.45pm. Please ensure your child is collected by this time unless you have notified the school in advance.

Further to the letter sent out this week, there are no after school clubs on Thursday or Friday next week due to the rehearsals at the Mercury Theatre. We apologise for any confusion. There will be no after school clubs in the final week of term.

NI have been enjoying the warmer weather this week and as a special treat, they have cooled down with an ice lolly!

There are still children without sunhats in school. This is part of the school uniform and needs to be worn at break time, lunch time and for sporting activities held outside. Please ensure your child has a named sunhat at school.

Have you booked your tickets for our school production? Information regarding arrival times for next Saturday will follow.
