8th November
Open Evening
6-8.30pm

13th November
Parents Evening
4-6pm

15th November
Parents Evening
6-9pm

11+ News

Form VI have now sat the 11+ examination and we would like to say well done to everyone involved in preparing the pupils for this task and obviously, to our pupils for their hard work and diligence.

We had a wonderful response from pupils (and parents) for our Space Day today. This was inspired by a Nasa endorsed World Space Week to celebrate the launch of Sputnik on 4th October 1957. We have all had a fantastic day discovering Space in all its varied dimensions!

P. Stevens

Science Co-ordinator

World Space Week
October 4 - 10

Photos will be available on the school website. Please also check our Twitter page and Facebook for photos.

Gentle reminders:

In the interest of health and safety, please ensure **ALL** earrings, watches and bracelets are removed for PE sessions including religious threads.

As part of the school uniform, girls are required to wear long hair tied back. Hairbands should be pink, black or white with no adornments.

Please <u>do not</u> reply to School Comms messages. If you need to email the school, please use **info@oxfordhouseschool.net**.

Friendship Ambassadors

Our friendship ambassadors have been busy this half term attending our playground friendship 'bus stop' to ensure that every child has someone to play with. This year's ambassadors were voted for by their peers at the end of last term. Their role is to provide opportunities for pupils who sometimes struggle to make and maintain friendships, to enjoy playtimes and help them to become a good friend.

Our Friendship Ambassadors are:

Katherine - Reception
Avalyn - FI
Henrietta - FII
Saffron - FIII
Atiya - FIV
Beatrice - FV
Evan – FVI

We look forward to seeing the positive difference the Ambassadors will make to our school life this year!

Thank you to everyone who attended the meet the teacher sessions last week. We trust you found them helpful and informative.
