**Christmas Carol
Service 2pm**

10th December

Christmas Lunch

11th December

Christmas Parties

14th December

**Christmas Jumper
Day**

**School finishes at
Noon**

Children in Need - Friday 16th November

What a Spotacular day we've had! It was lovely to see so many different spotty items of clothing. Thank you to everyone for your generous donations to this very worthwhile cause, so far we have raised an amazing £325.50! More photos are available on Facebook and on the website.

Thank you to everyone who donated to The school's poppy collection. The money has now been collected and we await a final balance.

Gentle reminders:

We are very aware parking is a consistent struggle around the school, but we would like to remind parents/carers to be courteous not only each other but also to our staff and our local residents. You **MUST NOT** stop outside the school on the yellow lines or across the driveways. This also applies when children are being dropped off for Breakfast Club and collected from After School Clubs. This is in the interest of safety for everyone.

FORM VI AMBASSADORS

Over the last couple of weeks, Form VI pupils have been going through a selection process to become Form VI Ambassadors. After careful consideration and thorough interviews conducted by our headteacher Mrs Leyshon, six ambassadors have been appointed. They will support our School Captains and regularly take on an active role during school assemblies.

Playground Ambassadors

Florence and Mia have been named our new Playground Ambassadors. Their role will involve looking after children in the playground to make sure everyone feels happy and safe in school. They will be a point of contact during breaks to help encourage games and activities. They will also act as leads of our Friendship ambassadors and ensure that any available budget for playground equipment is spent wisely.

Eco-Warriors

Our new Eco Warriors, Gautham and Dina-Kate, will work closely with our Gardening Club to ensure that the playground is an eco-friendly environment. Part of their role is to ensure that all plants are insect-friendly and to help keep the school grounds litter free. They will also look to support the environment with energy saving ideas and recycling schemes.

Digital Ambassadors

Max and Oliver are our new Digital Ambassadors. They will help pupils and staff understand how to use technology and offer advice and support on how to keep yourself safe on-line. Training will be provided for them and they will be organising an info session for parents later in the year.

Boxes for the food bank collection are now in classrooms if you would like to contribute. Please could we ask you to bring in your donations in by Friday 30th November. A list of suggested goods to donate has been sent out via School Comms.
