

Pupils' Notice

Who are we and why we need your information

We are a company called Marsh Ltd. We work with your parents/guardians and your school to put insurance in place for your benefit. This insurance is designed to provide assistance if you are injured at school. In order to do this, we will use information about you such as your name and age. Sometimes we will use information which is "sensitive". For example, if you have an accident at school, we will need information about your injury. We will use your information to put in place this insurance, deal with claims and complaints and to help us check that a claim is valid.

We will only use your information when we are allowed to. This might be because we have a legal obligation, we have a business need, we need to provide our insurance services or because of a legal claim.

Sometimes we may need to rely on "consent" (your or your parents'/guardians' agreement) to use your information. Where we need this agreement to use your information, we will make it clear and the consent can be given by your parents/guardians or you, if you are over 13. If you provide consent and later change your mind, you can tell us at any time by emailing us at: dataprotection@marsh.com. If you do change your mind it may mean that we (and insurers) are unable to help you with any questions you have about the insurance and any claim or it may end the insurance. If you do change your mind, we will explain what this means to you at the time.

Sharing your information

We obtain your information from different sources including from your parents or guardians and your school. We will share your information with third parties when we need to. For example, we might share your information with the insurance company, a doctor and our service providers.

How we keep your information safe

We keep your information safe by using different security measures including special IT protection. If we need to send your information outside of the UK we will make sure it is sent safely. We will only keep your information for as long as we need it or for as long as we are legally required to.
